You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

This student planner is an academic planner covering academic year August 2018 - July 2019. The school week is spread out over two pages, leaving plenty of room to jot down homework each day. Each weekday is divided into three columns so that students can keep track of which class the homework or test is for and when it's due.
