There are two reasons why I enjoyed reading A Hundred Years of Japanese Film. The first is I have many of the films the author writes about. From Late Spring to Early Summer, from Manji to The Seven Samurai, from After Life to When a Woman Ascends the Stairs, I have watched a small cross-section of Japanese movies and it allowed me to understand many of the points he was trying to make.

The century of humiliation, also known as the hundred years of national humiliation, is the term used in China to describe the period of intervention and subjugation of the Chinese Empire and the Republic of China by Western powers, Russia and Japan in between 1839 and 1949. The term arose in 1915, in the atmosphere of rising Chinese nationalism opposing the Twenty-One Demands made by the Japanese government and their acceptance by Yuan Shikai, with the Chinese Nationalist Party and Chinese Comm

Four years after its initial hardcover-only publication comes the very welcome paperback edition of Donald Richie's authoritative take on the full span of Japanese film history, A Hundred Years of Japanese Film. Published concurrently with a French translation (Le cinéma japonais, Éditions du Rocher), this is a "revised and updated" version of the 2001 text, which, particularly in the later sections, rephrases some of the author's statements and adds a name or two to the mix.
