A Whack On The Side

Like any self help book, the difficult part is making a change in your thinking and sustaining that change. I like the last part of the book called "A Whack on the Other Side of the Head" which addresses the fact that creativity alone is not enough - you actually need to implement your best creative ideas.

A Whack on the Side of the Head - by Roger van Oech Creative thinking is absolute vital to success. The author even says that creative thinking is just like sex for the mind (not sure what his sex life is like, but each to his own...). But we all have a bunch of 'mental locks' that trap us in our current ways of thinking.
