See Logan Cochrane and Y. Tamiru, "Ethiopia's Productive Safety Net Program: Power, Politics and Practice," Journal of International Development 28 no. 5 (2016):649-665. I cannot claim to be the first to write about "seeing like an anthropologist;" others have done so, including Lock (2013), though with slightly different objectives.

Seeing Like an Anthropologist: Anthropology in Practice ...

The National Association for the Practice of Anthropology (NAPA) was founded as a section of the American Anthropological Association (AAA) in 1983 to represent practicing anthropology. Many NAPA members are established or are planning careers as practicing professionals linked into government, business, and other networks outside of the academy.

About | NAPA - Anthropology

Purpose: To provide insights into global health practices through personal, place-based narratives describing formative experiences for individuals who have contributed uniquely to global health. Content: A superb forward by Dr. Paul Farmer is complemented by introductions to each section by the editors that bring together the central themes of persons working on the front lines in global health.
