Colleges for Students Needing a Second Chance | CollegeXpress

Researchers at the University of Washington have developed a cellphone app, called Second Chance, that uses sonar to monitor someone's breathing rate and sense when an opioid overdose has occurred. The app accurately detects overdose-related symptoms about 90 percent of the time and can track someone's breathing from up to 3 feet away.

First smartphone app to detect opioid overdose and its ...

Some have promoted the idea of a second chance after death. But the Bible does not indicate that people get an opportunity to repent or to put faith in Jesus after they die. Hebrews 9:27 says, "People are destined to die once, and after that to face judgment." Jesus said that people will be judged based on what they did during their lives.
