Balance and contrast, two principles of design, are evident in this arrangement of dark and light shapes. This is the first illustration in Dow's book, *Composition: Understanding Line, Notan and Color*, originally published in 1899.

DESIGN — Notan

The notan is an ideal type of study for finding the shapes and patterns that serve as the foundation of every composition. Notan is a Japanese word that means “light-dark balance.” A notan uses an extremely limited range of values: in its most strict form, just black and white; in its more liberal form, black, white, and a mid-tone.
