A child's parents have divorced, and Daddy is now living with a man. The book shows Daddy and Frank cooking together, doing yard work, and sleeping in the same bed. It's definitely controversial/ banned for very clear reasons, but I adored it. The mom tells the child that Daddy and Frank are gay, and the kid doesn't know what that means.

The Screwed Up-edness: I find it really hard to believe that an alcoholic father would buy this book for their own child, and we can assume if he found the mother reading it he'd smack her one. Franz Kafka (3 July 1883 – 3 June 1924) was a German-speaking Bohemian novelist and short-story writer, widely regarded as one of the major figures of 20th-century literature. His work fuses elements of realism and the fantastic. It typically features isolated protagonists facing bizarre or surrealistic predicaments and incomprehensible socio-bureaucratic powers.
