About. The 16th International Workshop on Scheduling and Resource Management for Parallel and Distributed Systems will be held in Edmonton, AB, Canada, in conjunction with the ICPP'20 - 2020 International Conference on Parallel Processing.. Resource management and scheduling is a crucial task on large-scale computing systems. It plays an essential role in the optimization of resources usage.

International Workshop on SRMPDS

Abstract The state of the Gelidium agarophyte resource was last reviewed in 1990 during the First International Workshop on Gelidium. The main objective of the present study was to gather and analyse the new information made available since then, with emphasis on the *G. sesquipedale* resource from the Iberian Peninsula and Morocco.

Background: At the Third International Workshop on Asymptomatic Primary Hyperparathyroidism

Online Library International Workshop On Gelidium Proceedings Of The International Workshop On Gelidium Held In San

(PHPT) in May 2008, recent data on the disease were reviewed. We present the results of a literature review on issues arising from the clinical presentation and natural history of PHPT. Methods: Questions were developed by the International Task Force on PHPT.

Presentation of asymptomatic primary hyperparathyroidism ...

The proceedings from the Thirteenth International Workshop on Laser Ranging have been published and mailed to the workshop participants. The document was published as a NASA Conference Publication. References to any of the papers in

13th International Laser Ranging Workshop | Proceedings

Studies that compare second- and third-generation PTH assays with regard to diagnostic sensitivity of PHPT are few. Only four published studies are available (3– 6), all of which preceded the last PHPT workshop. We conclude, as we did in the proceedings of the last workshop (), that the diagnostic sensitivity for PHPT is similar between second- and third-generation PTH assays ().

Diagnosis of Asymptomatic Primary Hyperparathyroidism ...

International Program Committee*: All submitted papers will be rigorously reviewed by the Workshop's technical program committee members following similar criteria used in HPCS 2020 and will be published as part of the HPCS 2020 Proceedings.
