Island Aldous Huxley

Island is the final book by English writer Aldous Huxley, published in 1962. It is the account of Will Farnaby, a cynical journalist who is shipwrecked on the fictional island of Pala. Island is Huxley's utopian counterpart to his most famous work, the 1932 dystopian novel Brave New World. The ideas that would become Island can be seen in a foreword he wrote in 1946 to a new edition of Brave New World :

Aldous Huxley wrote this just before he died and to me this is his swan song. Island is set somewhere in the Pacific and depicts an Englishman's journey of spiritual enlightenment and self discovery. A progressive community takes mind-altering drugs and rejects conventional societal values for their own utopia.

I just reread Aldous Huxley's *Island* and I want to encourage you to get yourself a copy as soon as you can (or to read the PDF below). This book isn't a novel but rather a manifesto. The final work of Huxley is a sociological blueprint, a manual for living, loving and dying. His legacy so to speak, leaving us his vision of paradise within reach.

Island by Aldous Huxley 1 "Attention," a voice began to call, and it was as though an oboe had suddenly become articulate. "Attention," it repeated in the same high, nasal monotone. "Attention." Lying there like a corpse in the dead leaves, his hair matted, his face grotesquely smudged and bruised, his clothes in rags and muddy, Will
