About the SAT Subject Tests. The SAT Subject Tests are a collection of 20 different tests within 5 specific categories: English, history, languages, mathematics, and science. Each subject test lasts 1 hour and consists entirely of multiple-choice questions. Unlike the SAT Subject Tests, the SAT ® is largely a test of verbal and math skills. Although you need to know vocabulary and a few formulas, it's primarily designed to measure how well you read and think, rather than what you know.
