Magick in Theory and Practice It is necessary for us to consider carefully the problems connected with the bloody sacrifice, for this question is indeed traditionally important in Magick. Nigh all ancient Magick revolves around this matter. In particular all the Osirian religions — the rites of the Dying God — refer to this.

Chapter XII Of the Bloody Sacrifice and Matters Cognate ...

The method of operation in Magick is based on this, in very much the same way as the laws of mechanics are based on mathematics. So far, therefore as we can be said to possess a magical theory of the universe, it must be a matter solely of fundamental law, with a few simple and comprehensive propositions stated in very general terms.
