Mark Masterson argues that same-sex desire was a central part of late Roman manhood. Masterson is discussing homosociality; he does not suggest that all men were expected or assumed to engage in homoerotic behavior. He claims, however, that desire haunted Roman (both Greek and Latin) texts, even when it was not explicit.

Man to Man - The Ohio State University Press  
Eve Sedgwick's 1985 treatise, 'Between Men' centralises an idea of male "homosocial desire". The term is something of a paradox: referring to both the tendency for our society to be structured around male relationships, and the demand that these relationships be characterised by "intense homophobia, fear and hatred of homosexuality".

Homosocial was popularized by Eve Sedgwick in her discussion of male homosocial desire. Jean Lipman-Blumen had earlier (1976) defined homosociality as a preference for members of one's own sex – a social rather than a sexual preference.

### Homosociality - Wikipedia

Homosocial desire is unnatural because it causes a man to abandon the natural sexual compliment God has ordained for him: a woman. That was Paul's view. If it was Paul's view recorded in the inspired text, then it is God's view. And if it is God's view, it should be ours if we call ourselves Christian. ...

### Paul, Romans and Homosexuality | Bible.org

Most of us fail to understand why anyone would want to engage in homosexual activity. To the average person, the very idea is either puzzling or repugnant. Indeed, a recent survey 1 indicated that only 14% of men and 10% of women imagined that such behavior could hold any "possibility of enjoyment.". The peculiar nature of homosexual desire has led some people to conclude that this urge ...

mighrier man and, through this dialogue of desire, a man sought to place himself in a favourable position within their homosocial realm. As a counterpoint to Julian, Chapter 2 moves onto the Vita Antonii to examine how it 'reflects, diverges from, and interacts with manhood and same-sex desire amongst

### BOOK REVIEW - Cardiff University Press

In sociology, homosociality describes same-sex relationships that are not of sexual nature. For example, a heterosexual male who prefers to socialize with men may be considered a homosocial heterosexual. Homosociality implies neither heterosexuality nor homosexuality.

### Homosociality | Psychology Wiki | Fandom

Homosexuality in ancient Rome often differs markedly from the contemporary West. Latin lacks words that would precisely translate "homosexual" and "heterosexual". The primary dichotomy of ancient Roman sexuality was active/dominant/masculine and passive/submissive/feminine. Roman society was patriarchal, and the freeborn male citizen possessed political liberty (libertas) and the right to rule ...
