Monotheism

Monotheism is the belief in one god. A narrower definition of monotheism is the belief in the existence of only one god that created the world, is omnipotent, omnipresent and omniscient, and intervenes in the world.. A distinction may be made between exclusive monotheism, and both inclusive monotheism and pluriform (panentheistic) monotheism which, while recognising various distinct gods ...

Monotheism - Wikipedia

Monotheism and polytheism are often thought of in rather simple terms—e.g., as merely a numerical contrast between the one and the many. The history of religions, however, indicates many phenomena and concepts that should warn against oversimplification in this matter. There is no valid reason to assume, for example, that monotheism is a ...
