Music In China Experiencing Music

Music in China is one of many case-study volumes that can be used along with Thinking Musically, the core book in the Global Music Series. Thinking Musically incorporates music from many diverse cultures and establishes the framework for exploring the practice of music around the world. It sets the stage for an array of case-study volumes, each of which focuses on a single area of the world.

Music in China offers a unique exploration of the rich, dynamic, and multifaceted Chinese musical landscape. In contrast with previous scholarship—which focused almost exclusively on the role of music in elite culture—this volume takes a balanced look at a variety of traditional and modern genres, including those performed among local and regional folk musicians, in academia, in the media, and on concert stages both inside and outside of China.

Music in China - Frederick Lau - Oxford University Press

In China, the music industry works differently. Music fans quickly – and in the tens of millions – adopt new technologies, new methods of supporting artists or ways of consuming music. The audience seeks a different experience from artists, who are often hybrid stars – equally at home as actors, TV personalities or models.

Best Chinese Instrumental Music - Beautiful Chinese Music ...

In China, music is as old as its civilization. Instruments excavated from sites of the Shang Dynasty (17th - 11th century BC) include stone chimes, bronze bells, panpipes, and the Sheng. When European music was just experiencing its first breath of life, a complete theory and sophisticated instruments were already appearing in China.

Chinese Music - Imperial Dynasty - YouTube

Description. Western music reached China nearly four centuries ago, with the arrival of Christian missionaries, yet only within the last century has Chinese music absorbed its influence. As China and the West demonstrates, the emergence of “Westernized” music from China—concurrent with the technological advances that have made global culture widely accessible—has not established a prominent presence in the West.

China and the West - University of Michigan Press

Music of China refers to the music of the Chinese people, which may be the music of the Han Chinese as well as other ethnic minorities within mainland China. It also includes music produced by people of Chinese origin in some territories outside mainland China using traditional Chinese instruments or in the Chinese language.
