Writing an Abstract An abstract is a brief summary of a scientific report or research paper. While searching databases, researchers read abstracts to decide whether the full papers are valuable. An effective abstract concisely communicates a paper's main ideas and serves as a signpost to interested readers. Because the abstract

Writing an Abstract - University of Arkansas

While characteristics of academic writing vary across university disciplines, successful academic writing largely relies on using inquiry and rhetoric to engage in a scholarly conversation. English 101 at the University of Maryland prepares students to write effectively within academic contexts.
