Article: Book Review: The Computer Music Tutorial ...

The tutorial that follows shows you how to use Redrum to make a basic rock drum pattern, like that used in the Beatles' Sgt. Pepper, discussed on the Drum Patterns in Popular Music page. Then it explains how to store multiple patterns in one Redrum, create a drum fill, and sequence your patterns.

Making Drum Patterns with Redrum: Introduction to MIDI and ...

Algorithmic composition is the technique of using algorithms to create music.. Algorithms (or, at the very least, formal sets of rules) have been used to compose music for centuries; the procedures used to plot voice-leading in Western counterpoint, for example, can often be reduced to algorithmic determinacy. The term can be used to describe music-generating techniques that run without ongoing ...
