The Weight of Silence was very well written. I loved the way the author told the story from different points of view and the way she told everyone's story a little differently. The points of view she used were unique in that while different characters told the story, they each told their story in a different way.

The estranged wife of former NBA star Scottie Pippen broke her silence via Twitter on July 22 after fans noticed the apparent friendship termination on the 'gram.

### **Larsa Pippen Breaks Silence After All The Kardashians ...**

The Weight of Silence is the second book in the Nicole Foster series. I don't think it really matters if they are read in order. It's been almost two years since the first was released and I did not go back and reread it. This is a story right out of headline news.
