Driving Under the Influence (DUI) is a serious crime that could not only affect your life, but it could destroy or end someone else's. By identifying and combating the root causes of drunk driving - namely dangerous and underage drinking - the PLCB works both independently and with partners to stop DUIs before they happen.

Driving Under the Influence (DUI)

Under the Influence is a magnificent book. It thoroughly debunks the "mental health model" of addiction that misinforms so many. That alcoholism is biological is supported by the authors' detailed and thorough explanation of brain poisoning and adaptation to the drug we call alcohol.
