Now I ran my 2-wire cable down with the wiring harness and into the engine compartment, cable-tying as I went till I got to the starter motor and solenoid. There I added a new 30 amp fuse to my red wire and connected it to the big connection with the two red wires on it. I connected my white wire to the small connection with the one white wire.

SERVICE MANUAL ELECTRICAL WIRING DIAGRAMS

The type of battery used in automotive, construction, and weight-handling equipment is a lead-acid cell-type battery. This type of battery produces direct current (DC) electricity that flows in only one direction. When the battery is discharging, it changes chemical energy into electrical energy, thereby, releasing stored energy.

I searched all over for a way to do this. I want to open a Save As dialog box so the user can choose the location to save a file. But, I want the "Save as type" field to be preset with "comma seperated value File (*.csv)" The problem is the "Filter" methode does not seem to work with "msoFileDialogSaveAs".
