I really enjoyed Gabriel Thompson's new book Working in the Shadows: A Year of Doing the Jobs [Most:] American Won't Do. Back in 2007 I reviewed his book There's No José Here. To highlight the plight of low wage immigrant workers, he gets a job picking lettuce in Yuma, Arizona, then in a chicken factory in

Beyond the punishing nature of the work, the immigrants are exposed to harmful pesticides, and have poor access to medical care. By describing his own experiences as well as telling the stories of some immigrant workers, Mr. Thompson keeps the book very well grounded. Surprisingly, 'Working in the Shadows' is not gloomy journalism.

It was piece work and we made a lot of money from a kid's perspective, but after three weeks we were thrilled it was done for another year. Picking potatoes as a full-time job was unthinkable. The same cannot be said for the people who inhabit 'Working in the Shadows.' Latino immigrants do it for years or decades. The book was published ...

It's always standing right behind us, just out of view. In any direct light, we cast a shadow. The shadow is a psychological term for everything we can't see in ourselves. I understood how important knowing my shadow was when I wrote a biography of a spiritual teacher.

A Complete Guide to Working With Your Shadow

Job shadowing (or work shadowing) is an on-the-job learning, career development, and leadership development program. It involves working with another employee who might have a different job in hand, have something to teach, or be able to help the person shadowing him or her to learn new aspects related to the job, organization, certain behaviors or competencies.

I set out to write Working in the Shadows after reading an article in the New York Times in the fall of 2007, which recounted the problems a hog slaughterhouse was having in retaining American workers after an immigration raid caused more than one-thousand Latino immigrants to depart. Many people in the article were astounded at how difficult the work was, describing nauseous conditions and ...
