Preface to the Third Edition Many things have happened since I first published Against Method (AM for short). There have been dramatic political, social and ecological changes. Freedom has increased - but it has brought hunger, insecurity, nationalistic tensions, wars and straightforward murder.

Against Method | The Anarchist Library

Against Method explicitly drew the “epistemological anarchist” conclusion that there are no useful and exceptionless methodological rules governing the progress of science or the growth of knowledge. The history of science is so complex that if we insist on a general methodology which will not inhibit progress the only “rule” it will contain will be the useless suggestion: “anything goes”.
