Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Darwins Children Radio 2 Greg

Darwin's Children is the sequel to Darwin's Radio. As I've found with most sequels, it wasn't quite as good as the original. It was very, very good - it's just that Darwin's Radio was outstanding. This story picks up about 10 years after the first. Stella Nova is a pre-teen, gently rebellious as a result of being isolated from other "new children".

Darwin's Children (Darwin's Radio #2) by Greg Bear

Greg Bear's Nebula Award-winning novel, Darwin's Radio, painted a chilling portrait of humankind on the threshold of a radical leap in evolution—one that would alter our species forever. Now Bear continues his provocative tale of the human race confronted by an uncertain future, where “survival of the fittest” takes on astonishing and controversial new dimensions.
