The term Anglo-Indian can refer to at least two groups of people: those with mixed Indian and British (specifically English) ancestry and people of British/English descent born or living in India. The latter sense is now mainly historical, but confusions can arise. The Oxford English Dictionary, for example, gives three possibilities: "Of mixed British and Indian parentage, of Indian descent ...

The genetic history of the British Isles is the subject of research within the larger field of human population genetics. It has developed in parallel with DNA testing technologies capable of identifying genetic similarities and differences between both modern and ancient populations. The conclusions of population genetics regarding the British Isles in turn draw upon and contribute to the ...

Genetic history of the British Isles - Wikipedia

Most Old English texts, such as the laws of Alfred (r. 871–899), the Anglo-Saxon Chronicle, and the translation of the Ecclesiastical History of the English People, originated in Mercian or West Saxon contexts during the late ninth century. Three status levels may be inferred from Bede's account: overlord, rex (king), and princips.
