Grey Knights: The Omnibus (Grey Knights #1-3) by Ben Counter

The Grey Knights are the greatest of the Astartes and the three books contained in this omnibus do a good job of demonstrating why that is, and how differently they operate from the other Chapters. That said, they take a bit of time to get into - a bit more than books from Abnett.

The first book in this three book omnibus was great at establishing the premise of an emancipated Space marine Chapter. The second book was very anticlimactic and the third was pretty much all action with a very flimsy plot. The storytelling is very uneven and the characterization is shallow. Truthfully, it's kinda flat.
