### **Kodak Brownie 127 camera, c 1950s. - gettyimages.com**

I was delighted to be asked to have a play with a Kodak Brownie 127, something of a staple camera from the 1950's. The prospect of using another film camera was exciting. I'm at the start of prepping for a blurred / imperfect / destructive digital photography project, and the imperfections and a 'hope and a prayer kind of photo' that ...

This camera was completely restyled from the two earlier Brownie 127 models with a more angular plastic moulded body. It kept the optical direct vision finder but enclosed it more into the camera to help accommodate the hot shoe for use with an Instamatic flashholder. It also featured a handy film wind-on reminder and double exposure prevention.

Kodak Brownie Bullet. It was in the last place we looked while rummaging through the home where you raised three children, a shrine for your possessions I grabbed it on my way out, I'm not sure why. A year later and my daughter wears it around her neck like a prize It's small It fits in her entire, tiny hand She likes the clicking sound it makes And tells me to smile.
