old to chew with her mouth closed. But you might be surprised what she can learn if you focus on conveying the idea of manners, the principle that there are ways to behave and ways not to behave. Your toddler has actually been learning this lesson for some time now, as she tests limits and gauges your reactions.

Toddler Manner #4: Use table manners. This is a big one for me. Kids are disrespecting everyone at the table if they are not using utensils, slurping their soup, or talking with their mouth open among many other rude and gross infractions. Basic table manners are a must, especially in a large family when a lot of people are all eating together.
