10 Marketing Strategies to Fuel Your Business Growth

For example, a consumer technology firm's strategy might be heavily reliant on continuously innovating and coming up with exciting new products. If the company's culture doesn't encourage and reward that sort of innovation amongst its employees, its progress will stall. Similarly, a bank's marketing strategy might focus on presenting itself as a 'trusted' organisation. But if the culture of being trustworthy isn't engrained in the workforce, their reputation could be tarnished ...
