Mars And Venus In The

Mars and Venus is a panel painting of about 1485 by the Italian Renaissance painter Sandro Botticelli. It shows the Roman gods Venus, goddess of love, and Mars, god of war, in an allegory of beauty and valour. The youthful and voluptuous couple recline in a forest setting, surrounded by playful baby satyrs. The painting was probably intended to commemorate a wedding, set into panelling or a piece of furniture to adorn the bedroom of the bride and groom, possibly as part of a set of works. This i
