MG ZT The MG ZT is an MG-branded, sportier version of the Rover 75, an executive car, produced by MG Rover from 2001 to 2005. An estate version, the MG ZT-T, was also available. Styling is similar to the 75, although various modifications - most noticeably the wheels and tyres - make for a far sportier ride.

I find it strange that the tyre pressure info in the 75/ZT Owners Manual does not take into account tyre type/size. For example it states a 75/ZT Diesel should have 32psi (front) and 30 psi (rear) however the 75 diesel could have 205/55/15 tyres fitted whereas the ZT diesel would come with 225/45/18 tyres fitted.
