The Art Assignment | The Case for Impressionism | Season 6 ...

Probably the most celebrated of the Impressionists, Claude Monet, was renowned for his mastery of natural light, painted at different times of day in order to capture changing conditions. He tended to paint simple impressions or subtle hints of his subjects using very soft brushstrokes and pure, unmixed colors to create a natural vibrating effect.

Impressionism - Paving the Way for Modern Art

American artist Mary Cassatt joined the impressionists for some of their later exhibitions in Paris. She was determined to be a successful artist. In the United States she wasn't allowed to paint from live models because she was a woman.

Summary. French Impressionism, that radical and innovative artistic movement born in Paris in the 1860s was a product of its time and context. The term, coined by the Louis Leroy in his stinging critique of Monet's Impression: Soleil Levant, underlined the movement's conscious rejection of Academy and the establishment with its focus on lines, details and traditional motifs.

The Birth of French Impressionism

Many Impressionists, including Monet, Renoir, Pissarro, and Sisley, immortalized Argenteuil's river views, bridges, streets, and gardens in their paintings. Among the best-known images of Argenteuil are those painted by Monet, who spent extended periods of time in the small town.
