Of A Feather Brief History

5.0 out of 5 stars Of a Feather: A Brief History of American Birding. Reviewed in the United States on February 9, 2020. Verified Purchase. This is an awe-inspiring book.

Of a Feather: A Brief History of American Birding ...

Of a Feather: A Brief History of American Birding is exactly what the title states. This book gives us the good, the bad and the ugly of American birding. The early birders collected specimens to study, which meant they shot, skinned, stuffed the birds. Women were mostly not accepted and certainly not taken seriously.

Of a Feather: A Brief History of American Birding by Scott ...

Beyond Audubon: A quirky, "lively and illuminating" account of bird-watching's history, including "rivalries, controversies, [and] bad behavior" (The Washington Post Book World). From the moment Europeans arrived in North America, they were awestruck by a continent awash with birds—great flocks of wild pigeons, prairies teeming with grouse, woodlands alive with brilliantly colored ...

Wanting to know a bit more about the history of the company, I did some research on the net, and contacted Feather directly to get a little information. The Feather Safety Razor Company was started in 1932 as the "Japan Safety Razor Company," this coming July first will be the company's 80th anniversary.

A Brief History of the Feather Safety Razor Company ...

Essential Guide to Feather Quill Pens | Brief History & Tutorial INTRODUCTION | Over the past year I've been steadily getting back into working with traditional nib and dip pens. I learned how to use them ages ago while taking a drawing class and somehow using them as a consistent part of my drawing practice got lost in all the crazy of the past few years.

Essential Guide to Feather Quill Pens | Brief History ...

Of a Feather traces the colorful origins of American birding: the frontier ornithologists who collected eggs between border skirmishes; the society matrons who organized the first effective conservation movement; and the luminaries with checkered pasts, such as Alexander Wilson (a convicted blackmailer) and the endlessly self-mythologizing John James Audubon.

Of a Feather: A Brief History of American Birding | HMH Books

Of a Feather traces the colorful origins of American birding: the frontier ornithologists who collected eggs between border skirmishes; the society matrons who organized the first effective conservation movement; and the luminaries with checkered pasts, such as Alexander Wilson (a convicted blackmailer) and the endlessly self-mythologizing John James Audubon.

Of a Feather: A Brief History of American Birding by Scott ...

Of a Feather: A Brief History of American Birding is indeed just that. For the most part, there have been (lucky for us) many wonderful biographies written of these earlier naturalists and birders. This little work cannot hope to match a 300 plus page biography on Audubon for details, nor does it try.
