Arcon Welding, LLC.
For those who don't know the story, the PowCon was co-invented in the 70s by Goran Hedberg. Over 20 years, PowCon thrived, selling about 100,000 welders. Eventually (I'm not sure when exactly), Miller acquired PowCon and after a few years, stopped producing them.

The only issues I had with the POWCON feeders is finding the drive rollers. I think there are some rollers from other machines (can't remember which off the top of my head) that fit, but I ultimately just contacted Mike (tech support expert at Arcon), who occasionally puts in bulk orders for the rollers from some

I was given a PowCon 300SM that had smoke coming out of it.

Searching past post helped a great deal in getting the 300SM back on line. I called Arc Products and found out that Ian no longers works there. I talked with Eddie @ X304 the
