Psyche: Inventions Of The Other Download - Only Books

The placement of "Psyche: Invention of the Other" at the beginning of the book suggests it provides the frame or theoretical space in which the other texts "link up or correspond to one another" (xiii). In French, a psyché is a full length mirror that can be turned at will to reflect what stands at different angles before or behind it. In effect, this collection provides something like a reflection or snapshot of the activity of the French philosopher over this decade.
