The Nightmare Garden Iron Codex

The Nightmare Garden is the second book in the Iron Codex series. I've been eagerly awaiting it ever since I read the first book last year. In this series we follow Aoife and her ragtag group of companions on a quest for answers and ultimately redemption. All Aoife wants is to fix the things that she has broken. To find a way to be normal again.

The Nightmare Garden (Iron Codex, #2) by Caitlin Kittredge

THE NIGHTMARE GARDEN, book 2 of the Iron Codex trilogy was better than the first, no doubt about that, but honestly I still can't declare my love for this over complicated and painfully drawn out steampunk, dystopian fairy tale.
