About - The Ultimate Trading Guide. Home / About. The Ultimate Trading Guide plans to introduce the public a path to navigating the overall market cycles in different industries that are controlled both by "market makers" (the very rich and/or the very powerful) as well as the general public. When we see these as cycles and as trends, we can invest JUST AFTER they have begun to take off and profit from them, before moving onto the next industry or asset within an industry.

About - The Ultimate Trading Guide

I start by sharing my best and worst days of trading because transparency is the most important thing for me as I guide you on your trading journey to success... The decision that you've made to start trading with the goal of living your dream of having complete freedom in terms of time, money, and location was a hard but necessary one.
